Identical letters dated 20 May 2002 from the Permanent Observer of Palestine to the United Nations addressed to the Secretary-General and the President of the Security Council

Israel, the occupying Power, is attempting to institutionalize the state of siege imposed on the main Palestinian cities in the Occupied Palestinian Territory, including East Jerusalem. It is attempting to maintain the prevention of the movement of persons and goods among those Palestinian cities and even to create several separate and isolated Palestinian areas. The occupying forces have actually begun to demand Palestinians and others to acquire special Israeli permits for the movement of persons and goods among those areas. This is an extremely dangerous development that further destroys the Palestinian national presence and whatever is left of the agreements between the Israeli government and the Palestinian Authority. This dangerous development comes, of course, in complete violation of relevant Security Council resolutions that require the reversal of the reoccupation of Palestinian cities as well as all actions taken by Israel, the occupying Power, in this regard.

Furthermore, the Israeli occupying forces continue with their bloody military campaign against the Palestinian people, including the commission of war crimes and Israeli terrorism, both State and settler terrorism. During the past few days, the occupying forces have continued killing Palestinians, practically on a daily basis, sent tanks and troops into populated Palestinian centres, and have continued with their wanton destruction and suffocating siege.

In follow-up to my previous 120 letters to you regarding the ongoing crisis in the Occupied Palestinian Territory, including Jerusalem, dated from 29 September 2000 to 10 May 2002 (A/55/432-S/2000/921; A/55/437-S/2000/930; A/55/450-S/2000/957; A/55/466-S/2000/971; A/55/474-S/2000/984; A/55/490-S/2000/993; A/ES-10/39-S/2000/1015; A/ES-10/40-S/2000/1025; A/ES-10/42-S/2000/1068; A/ES-10/43-S/2000/1078; A/ES-10/44-S/2000/1093; A/ES-10/45-S/2000/1104; A/ES-10/46-S/2000/1107; A/ES-10/47-S/2000/1116; A/ES-10/48-S/2000/1129; A/ES-10/49-S/2000/1154; A/ES-10/50-S/2000/1173; A/ES-10/51-S/2000/1185; A/ES-10/52-S/2000/1206; A/ES-10/53-S/2000/1247; A/ES-10/54-S/2001/7; A/ES-
